RE: Eshleman Foundation

Vibration Institute Announces the Creation of Eshleman Foundation

Oak Brook, IL - Vibration Institute to honor Ron Eshleman Ph.D. on Wednesday, June 15 in Rochester, NY at the 41st Annual Vibration Institute Conference.

The Vibration Institute will be establishing the "Eshleman Foundation," in recognition of Dr. Eshleman's contributions to the vibration analysis industry and the development of the Vibration Institute.

The Foundation's mission will be to administer and foster academic grants for research, student scholarships, people in transition scholarship program, and recent returning military veteran scholarship program.

The website for the foundation will be: www.vi-eshlemanfoundation.org

If you have any questions, or would like to get more involved in the Foundation, please contact: Michael Long, Executive Director of the Vibration Institute at mlong@vi-institute.org.

For more than 40 years, the mission of the Vibration Institute has been to disseminate practical information on evaluating machinery behavior and condition without commercial interest. The Institute offers programs including education, training, certification, and opportunities for exchanging technical knowledge, networking.
