Company Name: [text box]

Street Address 1: [text box]

City: [text box]

Street Address 2: [text box]

State/Province: [text box]

Country: [text box]

Zip Code/Postal Code: [text box]

Phone: [text box] Include Country Code

The address provide is: [checkbox] Residential, or [checkbox] Business

Email 1: [text box]

Email 2: [text box]

**Please indicate your highest level of formal education (optional information):**

4-Year Degree     2-Year Technical Degree     High School     Other

**Name of Institution:**

**Degree:**

**Requirements to Sit for (Take) a Certification Examination:** The Vibration Institute vibration analyst certification conforms to the International Standard ISO 18436-2:2014 Condition monitoring and diagnostics of machines – Requirements for qualification and assessment of personnel, Part 2: Vibration condition monitoring and diagnostics. Note: References below to Section numbers (e.g., Section 5.3.1) refer to section numbers in ISO 18436-2:2014 unless otherwise stated.

**To be eligible for assessment, per ISO Standards, candidates:**

- shall provide documentary evidence of qualified training in vibration analysis and condition monitoring
- shall provide evidence of qualified experience in vibration analysis and condition monitoring
- shall be certified at the previous level unless they qualify for mature (direct) candidate entry into Category II or Category III

**The minimum required training and experience is shown in the table below:**

MINIMUM REQUIRED TRAINING & EXPERIENCE		
Category	Training (Hours)	Work Experience (Months)
Category I	30	6
Category II	Cat I+38	18
Category III	Cat II+38	36
Category IV	Cat III+64	60

**Direct Entry to Category II:** A certification candidate may skip the Vibration Institute Category I examination, certification, and formal training requirements for Category I, and apply directly for Category II certification if they meet any one of the criteria below. Candidates must still meet the 38-hour training requirement for Category II.

**If you are applying for Direct Entry into Category II, Check the box below which applies to you**

- Has a 4-year degree from a college or university + 12 months of experience
- Has a 2-year technical degree from a college or university + 12 months of experience
- Has 3 or more years of work experience in vibration analysis

**Direct Entry to Category III:** A certification candidate may skip the Vibration Institute Category II examination, certification, and formal training requirements for Category II, and apply directly for Category III certification if they meet any one of the criteria below. Candidates must still meet the 38-hour training requirement for Category III.

**If you are applying for Direct Entry into Category III, Check the box below which applies to you**

- Has a 4-year degree from a college or university + 5 years of experience
- Has a 2-year technical degree from a college or university + 6 years of experience
- Has 7 or more years of work experience in vibration analysis

**Select the Category, Language and Units of the exam you wish to take (check only one):**

	Category I		Category II		Category III		Category IV
	EN.SI		EN.SI		EN.SI		EN.US
	EN.US		EN.US		EN.US		
	ES.SI		ES.SI		ES.US		
	ES.US		ES.US				

EN = English | ES = Española (Spanish)

SI = International System of Units | US = United States Customary Units

Is this a re-test?  Yes  No

Current Vibration Analyst Category (check only ONE, your most current Certification category):				
<input type="checkbox"/> None	<input type="checkbox"/> Category I	<input type="checkbox"/> Category II	<input type="checkbox"/> Category III	<input type="checkbox"/> Category IV
VI Certificate Number:		Other Certifying body:		
		Certificate Number:		

Required Training
<p>Per our ANAB (ANSI National Accreditation Board) requirements, exam candidates <b>MUST provide documentary evidence of successful completion of the training</b> (e.g., certificate). Please check how you will do this:</p> <p><input type="checkbox"/> Previous training (Include documentary evidence of the training)</p> <p><input type="checkbox"/> Take a Vibration Institute course immediately prior to the examination date. List the training class and the date you are registered for: <input type="text"/></p> <p><input type="checkbox"/> Take a course from another training organization immediately prior to the examination date. List the training class, the date you are registered for and have the training organization verify that you will attend that training with a signed letter from the training organization. <input type="text"/></p>

Work Experience Verification
<p>Per our ANAB (ANSI National Accreditation Board) accreditation requirements, exam candidates MUST provide evidence beyond personal attestation of their work experience. Please check which way you will do this:</p> <p><input type="checkbox"/> Provide a signed attestation, either in a letter or in the box below, signed by employer or, if self-employed, by a professional associate confirming your work experience.</p> <p><input type="checkbox"/> International option only: Indicate that your International Representative or Exam Sponsor proctoring your exam has verified your work experience and has signed below.</p>

<i>Employer, Professional Associate, International Representative, or Sponsor Attestation: I hereby verify that I have reviewed experience of the applicant of this application, and attest here with my signature to its accuracy:</i>	
Signature/Date:	Name/Job Title/Company:

**Required Experience:** Indicate below the total vibration analysis and condition monitoring experience that you must qualify for the category exam you are applying for. This should be your total cumulative experience in vibration analysis and condition monitoring, but not in companion technologies (e.g., alignment, thermography, etc.). (check only one box):

6 to 12 months     12 to 18 months     Between 18 to 36 months     3 to 5 years     5 or more years

You may submit copies of written documentation in lieu of the attestation above for verification of experience. An example is a letter from your employer.

Are there attachments included in lieu of attestation:  Yes     No

**Photo Identification:** On the date of the certification examination you will be required to show a government issued photo ID to the Exam Proctor/Invigilator prior to receiving the examination. Acceptable forms of identification are a Driver's License, State Issued Photo ID, and/or Passport. Company issued photo IDs may be accepted if the exam is taking place on location at that company.

**Certification Exam Special Accommodations:** It is the policy of the Vibration Institute to make reasonable accommodations for candidates with special needs. However, to do this, we must know what the needs are ahead of time. If you have special needs (e.g., English translation dictionary, visual impairment, dyslexia, handicapped facilities, etc.) list them here and the Vibration Institute will do our best to make necessary and reasonable accommodations.

In the event of impairment of your abilities (ie: dyslexia, etc.), and upon requesting a modification/accommodation, verification from an authorized medical professional may be required prior to providing the requested accommodation. Additional fees may apply.

**Special Accommodation Request:**

**Release** (you must check one box for each statement below):

Do you authorize the release of your examination results to your examination sponsor and/or employer?  
(check one):  Yes     No

It is the policy of the Vibration Institute to publish the names of all certified vibration analysts on the Vibration Institute website and in Vibrations magazine. Names will only be published upon successful completion of a Vibration Institute certification examination. Unsuccessful candidate names will not be published.

I authorize publication of my name (check one):  Yes     No

### Attestation & Signature

In order to qualify to sit for (take) a certification examination, you must agree to the following terms and conditions, and attest to the accuracy of the information provided on this application.

**I agree to the terms and conditions of the Vibration Institute certification program and agree to:**

- a. comply with the relevant provisions of the certification scheme;
- b. make claims regarding certification only with respect to the scope for which certification has been granted;
- c. not use the certification in such a manner as to bring the certification body into disrepute, and not to make any statement regarding the certification which the certification body may consider misleading or unauthorized;
- d. discontinue the use of all claims to certification that contains any reference to the certification body upon suspension or withdrawal of certification, and to return any certificates issued by the certification body;
- e. not use the certificate in a misleading manner;
- f. supply information requested by the Institute needed in the assessment of this application; and,
- g. adhere to the Vibration Institute's Code of Ethics.

I understand that the certificate issued is the property of the Vibration Institute and it can be revoked for violations of the Institute terms and conditions or the Institute Code of Ethics.

I understand that if a certificate is issued, I must inform the Vibration Institute, without delay, of matters that can affect my capability to continue to fulfill the certification requirements. Failure to do so may result in forfeiture of my certificate.

I understand that upon expiration of my certificate, it is my sole responsibility to submit a renewal application and the required documented evidence within the appropriate time frame as defined on the Vibration Institute website, whether or not I am notified by the Vibration Institute.

The information provided on this application is true, accurate, and complete to the best of my knowledge. Additionally, I am willing to provide in a timely manner, any additional evidence requested by the Vibration Institute that supports the information provided in this form.

**I understand that falsifying information could result in the loss of my certification.**
